Email: markcirineo22@gmail.com | GitHub: https://github.com/markcirineo
LinkedIn: https://www.linkedin.com/in/mark-cirineo/
Portfolio: https://markcirineo.github.io/Portfolio/

Currently learning full-stack development through the University or Pennsylvania Coding Boot Camp.

TECHNICAL SKILLS

Languages: JavaScript, CSS3, HTML5, MySQL
Applications: Git, GitHub
Tools: NodeJS, ExpressJS, jQuery, Bootstrap, AJAX

PROJECTS

Writer's Block | GitHub Repo | Visit the Website

- Summary: This application is a one-stop location for students to organize, outline, and research topics for a paper they are writing. Students can store multiple projects in their profile and can update and delete them if necessary.
- Role: Worked on creating the sequelize connection, creating models, and assisting with creating the controllers on the backend. Also helped with the styling and rendering using handlebars on the frontend.
- Tools: NodeJS, ExpressJS, Handlebars, MySQL, JavaScript, HTML, CSS

Got You Cupboard | GitHub Repo | Visit the Website

- Summary: Website to search for recipes from ingredients. You can also search for nearby grocery stores if you don't have all ingredients.
- Role: Designed search function to get data from MapQuest API and show a map of nearby grocery stores.
- Tools: JavaScript, HTML, CSS, and Materialize

Weather Dashboard | GitHub Repo | Visit the Website

Summary: Website that allows you to search for the current weather and a 5-day forecast of any city.

- Role: Sole author
- Tools: JavaScript, HTML, CSS, Bootstrap, and jQuery

EDUCATION

Certificate, Full Stack Web Development – University of Pennsylvania   Sept 21-Present
